**SRNet...
Linking
Christian
Social Action**

*A network of Christian practitioners in
social responsibility
who share good practice,
ideas and information
on a wide range of issues
and provide peer support
and encouragement*

Regional groups

Groups of practitioners meet together to share experience, concerns and good practice

Annual conference

(including discounted fees)
An opportunity to focus on key themes arising through social engagement

Web site

Information about local and regional groups, and how to link to one in your area

Information and booking for the annual conference and other SRNet events

Resources and reports available from members

www.SRNet.org.uk

e-net

A valuable way of finding resources, drawing on the experience of others, discussing key matters and learning about new resources

Recent conference themes include:

‘Prosperity with a Purpose’

‘The shape of the church to come’

‘Working at the coal face’

‘Conflict transformation’

‘Exploding myths of mission’

Current resource issues include:

Asylum and refugees

Working with marginalised people

Political extremism

Supporting families

Tackling domestic violence

Environmental issues

Guidance for new social responsibility officers
